October 2023

Although it was a rather damp evening, nine of us attended the meeting on Monday 2nd October but, there not being a great deal to discuss, it turned into a mainly social evening.

On the 10th September five of our cars were on display at the front of Hatfield House. With plenty of vehicles from the Whitewebbs Museum, there were probably thirty to forty cars there. It was a very warm sunny day and we were fortunately all able to find shelter from the heat under the trees.

Peter Badger has been out and about quite a bit in his fairly recently acquired Mk2.

With two other couples, Brian and Mandy have recently enjoyed a tour of Scotland in mostly good weather. We all enjoyed the pictures of the trip on Mandy's iPad. Brian is full of praise for the way his XK150 has behaved this year after covering lots of miles in the Pyrenees, XK Weekend, and now Scotland. He hasn't even had to change the oil.

Our December 4th meeting will include our pre-booked Christmas meal. Fifteen of us are booked in, and I would like to have people's menu choices at the next meeting please. Don't forget that a 10% service charge will be added to your bill.
