Happy New Year to everyone. Christmas seems to be rapidly disappearing into the distance, but I should start by mentioning the meal at The Galley Hall. It was very noisy but enjoyable, and the plentiful portions were very good. Hope everybody enjoyed their Christmas.

On Boxing Day, Richard Freestone was one of a small gathering attending the meeting at the Lordship, Benington, and then the following day quite a lot of EDVVS members had a good lunch at Bengoe.

The weather on New Year's Day was rather damp and dreary, but Eric went to the usual gathering at Barrington which attracted plenty of cars, however there are rumours that this may be the last time this meeting is held.

Brian and Richard F. both went to the Goat at Hertford Heath on Sunday 4th for the first gathering of the year.

We have decided to hold another Jaguar Day to coincide with the Museum Open Day on 29th March. We felt that last year some people were unavailable as it clashed with mothers' day and also for anyone returning from Essen. This year it doesn't clash with either. The date has been sent to Kathy Beech for inclusion in the Club Calendar. I have also sent information to Steve Fermor for Area News which should include a small advert. We have asked the Museum to put an entry in Classic Car Weekly's list of events. So fingers crossed for a few more cars than last year.
