

September 2025

We had a good turnout on Monday 1st, including a probable new member.

Over the past few weeks the weather has been very kind to us at the various events that we have been to. On 10th August several of our cars joined the EDVVS at Hatfield House, where about sixty three cars turned up (much more than Judith Reeve had expected). As it was sunny and warm, the availability of trees for shelter was welcome. For the first time, a car of the day was chosen by a Hatfield House staff member; it was a small opentop Fiat.

The following Sunday at Tewin was very hot and the field was full of cars of all makes and sizes. As usual, the village ladies had been very busy making a large selection of cakes.

The Capel Manor show on 31st August was apparently one of the busiest that there has ever been, with the public car park having to be closed during the afternoon. Although showers were forecast, it remained dry and sunny. Unfortunately there were quite a few road closures around the area which caused some hold ups.

Alan and Barbara attended a show at Lavenham recently. About five hundred cars were in the field behind the church just a short walk from the picture post card village.

I believe that several people have been to Long Easton near Dunmow recently, where there is a show on the first Sunday of the month, and which they recommend.

A few of us will be at the Buntingford Classic event on Saturday 6th, which I believe is now fully booked.

I mistakenly said last month that the JDC will be celebrating 75 years next year, but it should have been 70. The venue at Brooklands was correct and obviously there will be plenty of details in the Jaguar Driver over the coming months.

Anybody who wants polo shirts with the Club logo should now contact Barb as she and Alan have been to AVM Workwear and Embroidery in Bishops Stortford, www.avmworkwear.co.uk. They have had our logo set up and have bought a few garments from them. They have a very large colour range of polos, sweat shirts, T-shirts etc. so Barbara will take orders for the garments you need.

I know that it is only just September but I picked up the Christmas menu from the Robin Hood where, for the past two years, we have enjoyed our club Christmas Dinner at our December meeting. This will be on the 1st this year, so quite early. I will start collecting names, menu choices and £10 per person deposit at the next meeting or at the very latest at the November 3rd meeting.
