

December 2017

Area Rep's Christmas Message

I would like to thank everyone who turned up on Mince Pie night. It was great to see new members getting involved in the general get together at this time of the year.

I look forward to the coming season and plenty of opportunities to enjoy our cars and company.

Have a great Christmas and healthy New Year

Doug

We had a really good turnout on our Mince Pie Night despite it only being 4th December. A few days later, on the 8th, fourteen of us went to the Galley Hall in Hoddesdon for our annual Christmas Dinner. We had a change of venue last year but, believe it or not, this was the sixth time that we have held this event at the Galley Hall. As always food was plentiful and enjoyed by everyone. It was a very good evening and very noisy from the adjoining table.

The Museum is having their usual post Christmas gathering on 27th December at the King and Tinker. Don't forget that if you wish to eat there, you need to make your own booking with the pub direct.

We will be holding our usual 1st Monday in the month meeting in January, even though it is New Year's Day.

Area 33 (Essex) have invited us to join them for Sunday lunch at The Woodbine, Honey Lane, Waltham Abbey on 25th March. I will collect names of anyone wishing to go at our meeting on March 5th, so that I can pass them onto their Area rep, Tony Agombar.

Our A G M this year will be at a normal meeting and will either be in February or April
