APRIL 2009

It has been agreed that there will not be a meeting on Monday 4th May as several people will have been to The Goat at Hertford Heath on Sunday the 3rd and/or the Jaguar gathering at the Ace Cafe on Bank Holiday Monday. The next meeting will therefore be on 18th May.

The quiz night held at the April 6th meeting night, and organised by Keith & Audrey Williams, was very enjoyable. Doug & Wendy won the first prize by half a point.

If anyone intends to pre-book for the show at Aston Clinton on May 17th, you need to do it by April 30th. On the day it is £10 per car. I still have some entry forms which I can post to anyone who wants one.

I also have forms for Luton Festival of Transport and Classic on the Common at Harpenden. If filling in the Luton one, tick the Class M box and our Club name and we may get our own space.

Several years ago Keith Oswick organised a trip on the Waverly steam ship from Tower Pier to Southend. There is to be repeat of this on October 4th. The cost, which includes coach journey to London, the Waverly trip, and return coach journey is £36.95 per person. This may seem a long way ahead but it gets booked very early so Keith needs names and money by next meeting at the very latest.

Another trip which will need to be booked within the next month or so is the London to Brighton Run on Sunday 1st November. The coach makes a stop at Crawley which is an official stop for the cars. The cost for this will be £16.95.

There are a few other dates that have not appeared in the Calendar yet

May 10th Battlesbridge (Brian Kingsley has details).
June 7th Hatfield (Contact Dick Rogers).
July 11th Hoddesdon Town Centre show.
July 12th National Jaguar Day at Woburn

Further ahead Brian has given me dates for shows at Barleylands on 11th/12th July, Battlesbridge on 2nd August and 27th September, Knebworth on August bank holiday, and St. Mary's School at Bishop's Stortford on September 13th.

Several people went to Stoneleigh spares day and in contrast to Farnham, I gather it was very busy.

Our April Breakfast Run to The Woodman maintained our record for good weather. We are always made very welcome and Marianne, the girl that we always see, commented that she knows the weather will be good when we are coming.

Brian Kingsley passed on a cutting about a car once owned by Boy George:

"The chosen transport of the 1960s bank manager was never associated with New Romantics, bondage chains and little bags of white powder. But apparently the banged up pop star owned a 1966 2.5 daimler V8 until 2001 and it is now on eBay for a hefty £11k. If only it could talk....."
