June 2022

The Enfield Pageant went off very well. A bit chilly, but dry which is the main thing. The club displayed about a dozen cars on both days, and were chosen as the second best club stand, winning an award and £30 to go into our funds. The Museum obviously doesn't know all the figures yet, but they are hopeful that takings over the two days were as good as the normal three day event. It certainly seemed busy, perhaps after missing it for the last two years people were keen to get out and about again. So much work goes into putting on an event like this and, in our own way, organising our stand requires a lot of effort from quite a few people, so thanks go to everyone who helped in any way.

Many of you will know Henry Cole from TV with The Motorbike Show, Shed and Buried and Junk and Disorderly. He had booked a place in the autojumble and was filming an episode of Junk and Disorderly which is due to be shown on June 22nd. He was in the arena at the same time as some of our cars were lined up and he chatted to Alan and Wayne.

It seems that things are getting back to normal at last, with several shows coming up in the next few weeks.

Saturday 11th June, Datchworth Fete

Sunday 12th June, Luton Festival of Transport at Stockwood Park

Sunday 19th June, Area 16 Day at The Cock Inn, Sarratt, WD3 6HH

Sunday 3rd July, Cars in the Park, Oak Hill Park, Parkside Gardens, EN4 8JP

Although we will have another meeting before then, the shows at Hoddesdon and Kimbolton are on the 9th and 10th of July respectively. Several people expressed an interest in Kimbolton and, hopefully, I will have received the relevant wrist bands and any other details before the next meeting.

Two recent events were unlucky with the weather. The show at the Villa Scalabrini and the big JDC event at Brooklands were both spoilt by very heavy rain unfortunately.
