July 2025

We had a good turnout for our July meeting including a new member with a couple of friends and a probable new member.

There was not too much that had happened recently to report on. Several of us went to the Datchworth Green Village Fete which, as always, was a very relaxing day with good weather, good company and importantly good cakes. I think the number of cars seems to increase every year. The Datchworth Green Classic Car Club have also begun holding summer evening meetings at the Robin Hood & Little John Pub, Rabley Heath, Codicote, AL6 9UB on the second Tuesday in the month, with anyone invited.

Area 33's day at Hyde Hall was extremely successful, as usual, according to Alan and Barb, who went along with Tony, Lesley and Keith.

On the same day, July 6th, Keith O was at Hoddesdon. This show recently changed from a Saturday event to being held on the Sunday. Whether as a result of this or not, it appears there were not as many vehicles as in past years.

This Sunday, 13th July, some of us will be at the excellent show at Kimbolton school. As it is forecast to be a hot weekend, I'm glad that our designated plot is in the trees.

August 3rd is National Day at Whittlebury Hall hotel next to Silverstone Circuit. Eight of us will be going to the dinner on the previous evening.

On August 10th we are invited to join EDVVS members for what has become an annual gathering at Hatfield House. I have let Judith Reeve know that a few of our cars will be there but she would find it helpful to know how many, so would you please contact her. Arrive between 9.15 and 10.00 using main entrance opposite Hatfield Railway station. There will be a guided tour of the House at 2pm.

Coming up is the Tewin Car show on 17th August; hopefully everyone has booked their place.

Anyone attending the Whitewebbs Museum for any reason should be aware that Whitewebbs Rd is closed till mid September and the only access is from the Crews Hill end.

On the 27th June several of us were at Enfield Crematorium for Dick Rogers' funeral. We all have fond memories of him and he will be much missed, however we were saddened to see his health decline over his last years.

It was good to see Barb up and around after her recent hip replacement.
