

December 2011

AREA REP'S CHRISTMAS MESSAGE

Well, have you been there? Bought it? Hope it's the right size and you don't have to take it back. Done that? Checked your battery and anti-freeze and have plenty of screen wash?

We are supposed to be having snow, ice, rain, wind, and whatever else they can dream up to make us feel Christmassy.

Enough of that!

I'd just like to wish you all a Happy Christmas, and get well wishes to anyone who is under the weather at the moment.

Best wishes.

Doug

Our Christmas Dinner on 3rd December was at another new venue. This time thirty one of us went to the Toby Carvery at Whitewebbs. This was the largest attendance we've had for several years, which was good to see. The majority of people seemed to have enjoyed the evening.

Hopefully we will have a good turnout for our Mince Pie Night on 19th December.

The Whitewebbs Museum will be having their usual post Christmas Run on 27th December. To a different pub this year; the Duke of Wellington near High Beech.

I imagine that if the weather is reasonable, some of us will be going to the Barrington Car Meet on New Year's Day. This is between Royston and Cambridge.

Several people expressed interest in the Model Railway Show at St Albans Arena that Doug went to in January this year. The dates for the 2012 show are 14th and 15th January. Tickets can be bought on the day or in advance. I'll know times and prices by Mince Pie Night.
