January 2018

Happy New Year to everybody. Nine of us got together at our January meeting for a chat. Obviously there is not a lot going on at the moment.

The post Christmas gathering organised by the Museum at the King and Tinker fell foul of the weather. Some people had booked for lunch but not many other people turned up.

The snow earlier in the month was quite surprising as any snow we do get, is usually in January. It would be nice to think that we won't get any more, although it is now becoming slightly lighter in the evenings and so, getting nearer to us being able to bring the cars out of storage for the new season.

In recent newsletters, I have said that our AGM will be in February or April as Alan and Barbara are usually unavailable for the March meeting however, Barb, who as our Treasurer needs to be there, says that she will come to the March meeting, so the date is now set for March 5th.

If anyone can come up with anything for the Newsletter at this quiet time it will be much appreciated.
