January 2014

Happy New Year to everyone and hopefully we will have a good season to make full use of our cars.

I understand that some people were at The King and Tinker just after Christmas but it didn't seem big enough and the food was rather disappointing.

Unfortunately, New Year's Day was extremely wet, so none of us went to Barrington. I don't know whether it was officially cancelled like last year as I couldn't find out on the web.

We only had seven people for the first meeting of the year but it was a very wet evening.

The date for the coach trip to Newark Air Museum is fixed for Sunday 16th March at a cost of £24 per person. Speak to Keith O if you are interested.

Another date, much further forward is a Costume and Cars event in the Market Square, Enfield on July 20th.

As you may have seen the Open Day at the Museum on March 30th has been mentioned in the JDC magazine and is in their Club Calendar.

We had an email from Chris Brown of Area 44 thanking us for the information leaflet we sent him. He will bring it to his members' notice and contact us nearer the time. He is the only one of the Areas that we sent leaflets to, but we will email them again nearer the time.

Our AGM is on 17th March and we should be able to discuss the open day at our normal meeting after the AGM. We will also be deciding whether it will be feasible to go back to meeting twice a month during the summer.
