

DECEMBER 2024

AREA REP'S CHRISTMAS MESSAGE

It was good to see everybody enjoying the Christmas dinner in the Maid Marian room and once again the staff at the Robin Hood were very helpful.

I hope everyone has a lovely Christmas and a Happy New Year.

Doug

We were very well looked after at the Robin Hood on Monday 2nd, where sixteen of us enjoyed our Christmas Dinner. The time has really flown since we started having our Club meetings there. I am sure that at some time or other, we have all been at a restaurant or hotel where all the food and drinks get put together on one bill, and everybody has to try and work out what they should be paying. Thanks to under manager Mandy, we now have none of these problems as she not only gives a tab with our menu choices, but everybody has their own number, so that they can put drinks on to their own bill. The weather was fine for the evening, so no one had any travel problems. A few of our more long standing members might remember a Christmas dinner somewhere near Epping on a very cold frosty evening. Fortunately we have had nothing like that for many years now.

I have recently been in contact with Balmoral Knitwear to enquire if individual members could order sweatshirts etc. from them. Unfortunately, however, it appears that they are currently in the process of closing down due to retirement.

Don't forget there will be no meeting in January, so we look forward to seeing you all on 3rd February.

As stated in last month's newsletter, all memberships will be extended until 31/12/2025, free of charge. If any of your personal or vehicle details have changed, kindly advise Roy Fludgate.
