November 2019

We had a good number at the meeting including a prospective new member, Akim, who has very recently purchased an XJ8.

A few people went to spares day at Stoneleigh, but there appeared to be a difference of opinion about the number of stalls there this time.

Luckily we weren't superstitious for the Breakfast Run as there were 13 of us. Kate at the Bocket Arms did really well taking all the orders and serving and replenishing toast on her own. It was a lovely sunny morning, so it was an ideal finish to the season.

Several EDVVS members visited the Pumping Station at Kempton Park where they enjoyed a very good buffet, and the Museum 40's Weekend went very well with a dance on the Saturday and WW 2 vehicles on the Sunday. Plenty of people dressed for the occasion and an example of what a week's rations consisted of was put out for people to see.

Steph has asked me to remind people of her address and phone number for the pre Christmas get together on Sunday December 8th from 3pm. This is the last chance to let her know who is coming.

I have just made a provisional booking for Sunday lunch on January 26th at The Catherine Wheel, Albury SG11 2LW. The manager has said that he will wait until I can collect deposits of £5 per head at our next meeting. He will be emailing the menu to me in a few weeks time as he will need the choices to be pre-booked. I will have to give final numbers and choices about a week beforehand, so when I have the menu, I will forward it on to anybody who has paid a deposit. As around 20 people expressed interest at the meeting and I believe at least a dozen from Area 33 might want to come, it has not been easy to find somewhere suitable. (thanks, Brian W).

I am sure that we are not the only ones looking for some where, as many of you will be aware that Wroxhall Abbey has gone into liquidation. This has been such an ideal venue for several National Days with the hotel and show ground on the same site.

Don't forget that next meeting is Mince Pie Night and I will be collecting £5 per head for the January 26th lunch.
