### **May 2021**

It was like old times in the Whitewebbs Museum Yard when about twenty of us gathered with our cars. The sun shone, and we all enjoyed the chance to catch up since we had last met at Capel Manor in September. According to the rules, we all had our temperatures taken and left our contact details. Hopefully everything will continue to improve and our usual meetings can start again on July 5th.

Some of you may remember that back at the end of last year, Roy forwarded the details of an invitation to show our cars at Hatfield House. I contacted the Events Manager but only received an automated reply, so it was very surprising when Chris Engeham sent information to Roy on April 24th that Areas 16 & 17 were taking their cars there the following day. Doug rang Peter Woodward of Area 16 and asked if we could join them. At such short notice, only Doug and I and Eric and Margot went along. Apart from two or three E-types, the cars were mainly saloons. I did get in contact with the organiser who apologised for not realising that when he dealt with Peter our Area had got missed out. It certainly blew the cobwebs away with a very cold wind.

Several people have said that they will be going to North Weald on May 23rd. Although booking is not essential, Gary Elson would like a rough idea of people going for catering purposes.

Arnie and Steph have booked for an event called Cars on the Farm at Tewinbury Farm on Sunday 13th June if anybody wishes to look that one up this is the link:

We have kept in touch with our ex member, Douglas Millbank, since he moved to Lincoln a few years ago. We have now heard that, sadly, his wife Sally recently died of lung cancer.
