JUNE 2011

Well we managed a dry Pageant although very windy a lot of the time we had nine cars on Saturday twenty on Sunday and fifteen on Monday so it was a pretty good display Jaguar Drivers Club Chairmen Ken Wilson brought the JDC caravan on the first two days and he and his wife Bridget and their grandson who is already a young petrolhead seemed to enjoy it and were impressed with our stand Unfortunately our efforts didn't get a prize and although we don't go into it for the money I think we were all disappointed that our efforts didn't get even a commendation We believe that the winning club was the Custon Cruisers which included a van with a very impressive Pirates of the Caribbean mural

As you are probably aware we had mentioned the Pageant in two or three issues of E type news in the Jaguar Driver I had also emailed the nearest Areas about the show and told them that the ED had hoped to see plenty of E types there to celebrate the 50th anniversary of the launch of the model Unfortunately these efforts resulted in just one car arriving a lovely white roadster belonging to Ken Patten from Harlow The other two non Area E types belonged to Mick Duffy who we had asked to come and David Lockwood from Kent who had joined our display last year He had already contacted us long before anything was in the magazine On Sunday we had a very good display of ten E types parading around the arena together Doug had the like thrust at him to say a bit about Jaguars in general and E types in particular

Thanks to all our members who attended and helped out in any way It's too early to say whether the show was a financial success for the Hitchweas Museum

There is not a lot to say about this year's Luton Festival of Transport as it was rather a washout We did have a small convoy of five cars leave from the Gosling Stadium Alan had told me not to go too fast as his speedo wasn't working however as we were stuck behind a horse for quite a lot of the way I don't think the ph was causing him any trouble The number of cars that this show usually attracts was obviously sadly depleted We have got used to this event being a very sunny one so it was rather disappointing this time

I recently picked up a brochure from a local garden centre the Dutch Nursery between Potters Bar and Hatfield They do various coach outings and also musical evenings in their restaurant The event that caught my eye as something clubs members might be interested in was Goulash Halloween Murder Mystery Night on Saturday 13th October Actors commit the perfect murder and you take part and solve it The cost is 10 per head with course dinner or without I queried whether diners and non diners are separated but any group sits together even though some people may have to watch others eat if they have chosen the non dining option We will bring this up at the July meeting to see if there is any interest but if this appeals to you straight away let me know

As usual various leaflets were given to us. The relevant ones that may be of interest are as follows

Pure Nostalgia Classic Car and Retro Show 10th June at The Lawn Hall Road Rochford
Contact

Matching Green Show 1st July Contact

Great Eastern Rally 10th July Ingatestone Hall Contact

If anyone still needs passes for either of the shows in support of the Little Haven Hospice give Dick a ring on

I also still have some passes for Milton on July 10th if anybody needs the

We have received the following note from the To Jones family

Dear Members of Jaguar Drivers Club (Enfield)

Thank you for your generous donation in Tom's remembrance; we are delighted that a total of £715 was raised for the British Heart Foundation.

It meant a great deal to us that so many family members and friends attended the service and shared their memories of Tom's life and we thank you for your sympathy and support.

Kind Regards

Lyn, Mark, Chris, Thomas & Jamie
