MAY 2011

The Enfield Pageant is the first thing to mention, of course. Despite our best efforts, it's difficult to know whether we will get many extra cars as a result of the information that we sent to the Jaguar Driver. For those attending on Sunday or Monday, please bring your own mugs for tea and coffee, which will be provided, along with bacon rolls, on those two days. Please be on site by no later than 9am. As usual, if you want to go wandering around the showground before all the cars are organised, (which may be take longer than usual with the, as yet, unknown cars), please leave your keys with someone. An attached label with registration number would make life considerably easier.

We started the month with our usual Breakfast Run to The Woodman where we were made welcome. Twenty four of us went this time, the largest number for quite a while, and enjoyed a lovely sunny day. Several people took up Keith and Audrey's offer of a coffee at their bungalow at Puckeridge afterwards.

The following day, Bank Holiday Monday, several people went to the Ace Café for their Jaguar Day, which I understand was very well supported and enjoyed by all.

Brian Kingsley usually goes to the Lordship Arms on the second Tuesday in the month at Benington and tells us there were about thirty cars there last time.

Eric and Douglas both went to the show at Aston Clinton on May 15th which they describe as "like a mini Enfield Pageant", and Eric's XK150 was chosen as car of the day.

Several people have now got their passes for the Luton show and, so that we can park together when we arrive, we will be meeting beforehand at the Gosling Stadium, Welwyn Garden City at 9.30am. Entrance is available on the day, so if anyone else decides to come, just get to The Gosling on time.

I have now got the passes for the Kimbolton Country Fayre, an excellent day out, which is on July 10th, the day after the Hoddesdon Town Centre Show.
