OCTOBER 2007

We have finished a fairly mixed season, as far as the weather goes with another Breakfast Run to Nuthampstead. We always seem to have had good weather when we go there and this was no exception. It wasn't just a Jaguar occasion, as Richard was in his Bentley and Wayne was in the open top Rolls Royce which he had driven back from North Wales the previous day. We have now been to The Woodman for several breakfasts and a Sunday lunch. If any of you are feeling that it is time for a change then you need to find somewhere suitable by the spring. Tom knows of a pub at Blackmore near North Weald that would be prepared to do breakfast for us.

Barbara is collecting names for the Christmas dinner at Pearse House on Saturday 8th December. The cost will be £20 per head, and she will require a £5 deposit per person. The menu is included with this Newsletter, and Barbara will need to know your choices in advance of the event.

It has reached the time of year when the amount that I can find to write about is very limited. If you have been anywhere in the past season, it is not too late to tell us all about it. If you can write even a short article for the Newsletter, please send something to Roy or myself either by post or Email.
