January 2020

It was good to see that our first meeting of the year had a good turnout, carrying on from the numbers we were getting last year.

Hopefully plenty of people will be at the AGM on April 6th. Don't forget if there is anything about the running of the club that you want discussed, mention it to Doug first.

Sixteen of us are booked for Sunday lunch on 26th January at The Catherine Wheel, Albury SG11 2LW. It is booked for 1pm so anytime after 12.30 in the car park will be fine. Everybody is responsible for their own bill but don't forget that you have all paid a deposit of £5 per head. We will be outnumbered by Area 33 as there are 22 of them booked.

Several of us enjoyed a pre Christmas get together at Arnie and Steph's, so our thanks go to them for their hospitality.

Almost twenty members attended Eileen Roger's funeral, and Dick told us that nearly £600 was raised for a local hospice which was their chosen charity.

As usual the King and Tinker was the post Christmas get together for mainly museum members and I understand from Keith that the Autojumble at the Museum was one of the best ever.

Alan and Barb did their regular sterling work, helping with a Christmas dinner for over a hundred people, either elderly or on their own. They also had a coffee morning and tombola to raise funds for this year's dinner.

The Luton Festival of Transport is very early this year in putting out details. It will take place on Sunday June 14th and booking contacts are as follows:

To book on line: <https://carfestivalbooking.com/events/luton-festival-of-transport-2020>

or to download a postal entry: <http://www.cvpjg.net/luton-festival-of-transport/>
