

# JAGUAR DRIVERS' CLUB

Area 57 (Enfield)

*Enfield Pageant of Motoring - 29th-31st May 1999*

For the second year running Area 57 was placed second in the Best Club Stand competition, the winners being the Vauxhall Victors. This brought ?150 in to the Club coffers, more than covering the cost of our two new camp cookers which worked very well.

The display of cars looked extremely good with thirty three different club cars taking part; twenty five were there on Sunday and twenty eight on Monday.

On both days we were kindly supported by Woodford Jaguar with the loan of an S-type and an XKB coupe, both of which generated a lot of interest. Our grateful thanks go to Peter Mathews for arranging this.

As far as the weather goes, Sunday was damp, chilly and miserable but the sun brought the crowds out on Monday. Thanks to everyone who displayed their cars, helped with banners, flags etc., did the cooking, and a special thanks to Eric Tetsell for coordinating with the EDVVS for us again.
