September 2020

I don't think that this will take you very long to read, but at least a few things have been happening recently.

We would normally have gone to the show at Tewin on 23rd August but unfortunately it was cancelled. This did mean however, that some of us were able to go to Area 33's gathering at North Weald. They had invited other clubs and TRs and Morgans were out in force as well as plenty of Jaguars. I believe about 120 cars were in attendance, and they raised over £400 to donate to the Air Ambulance Service, which is based at North Weald. The refreshments at the doubledecker bus on site were very good and it was nice to get out in our cars.

Another casualty was the Buntingford Classic on 5th September, but several of us had a very enjoyable afternoon at Brian and Mandy's. They have recently moved to Stocking Pelham where there is an orchard, so we all went home with rhubarb, apples and plums. The weather was a bit cool at times but dry, and Mandy had laid on an extremely nice lunch for us, so we had a very pleasant visit.

The following day saw the Capel Manor show, which had been allowed to go ahead. We had heard originally that it would be limited to 350 cars, but it didn't seem very much different from previous years. Cars were probably spaced a bit further apart and there were fewer stalls. The weather was sunny most of the time and it was so nice to get together and take part in a normal event.

A few of us are having a couple of days at Battle next week so we are hoping for good weather.

I understand that there will be a Whitewebbs Trustees Meeting shortly and hopefully we will find out when we can resume our Club nights.

We hope everybody that we haven't seen is keeping well.
