September 2018

As you can see from the enclosed menu, we have booked our Christmas Dinner for Saturday 8th December at The Salisbury Arms, Hertford. We have been to The Galley Hall five times in the last six years, so it is time for a change. Please give your menu choices and FULL payment to Barb at the October 1st meeting, or by cheque made out to Mrs B Collins. As you can see the prices are for two or three courses, so make sure she receives the correct amount.

Coming up on Sunday 23rd September we have the dahlia & beetroot competition judging, along with lunch and cream teas at Dick & Eileen's. Please let them know if you are coming along.

As usual we will be having our usual October Breakfast Run on Sunday 7th October. I will need names of those wishing to attend at the next meeting.

I mentioned last month that Brian W's car was chosen as the best Big Cat at National Day, and he brought the cup along to the meeting. He is also first reserve for Champion of Champions at the NEC later this year.

It's been a fairly busy few weeks. A few members went to the usual show at Waltham Cross and, on the following day, fifteen of us enjoyed a BBQ at our house. The weather forecast leading up to it had been very dodgy to say the least, and we really thought that we would be ringing people first thing in the morning to cancel. Despite a little bit of drizzle at times, however, we were able to stay outside. Alan did a great job looking after two barbecues and it was a very enjoyable afternoon.

The following weekend was the Tewin Show, and I think about nine of our cars were there. As usual the field was packed with all sorts of cars. I believe that 450 cars were booked in. It is always nice to have a few stalls to wander round and with plenty of food available what more could you want on a lovely sunny day.

Unfortunately Tewin always clashes with the show at Elm Court, Potters Bar. Malcolm went along to this one and said there were about 130 cars there with a hog roast and a very good band.

August Bank Holiday was very wet on the Sunday when Brian K and Arnie and Steph went to Copped Hall. Fortunately the Monday was dry. Brian wasn't the only one with a trophy; Arnie and Steph's Rover won a Pride of Ownership award at Knebworth, as readers of Classic Car Weekly will see.

The first weekend of September is always busy with Buntingford and Capel Manor on successive days. Buntingford High Street was packed as usual and luckily the music was much better this year.

The next day was the Capel Manor show and, like Tewin, we had quite a lot of our cars on display. As we have often said, much as we all love our Jaguars, shows like these two are probably amongst the most enjoyable.

Douglas and Sally Millbank are moving to a village near Lincoln in a few weeks time. If he is still in Potters Bar for the next meeting he hopes to pop in and say cheerio, but I'm sure we all wish them well in their new home.
