After last month's discussions regarding payment for the meeting room at the Museum, Doug received no further comments from anyone who had not attended the meeting. As a result we have agreed to pay £450 annually in advance. The Museum's financial year starts in August, so Barbara has given them a cheque for that amount. Until the end of the year we will continue to pay £2 per person at the meetings, which Barbara will pay into the club account, and in December Roy will send out renewal forms with the new subscription rate of £20 p.a.

The recent events all had good turnouts; Tewin, as always, attracted about 400 cars of various makes and sizes. It pays to get there early as it did take quite a while to get parked. The weather was good and there seemed to be plenty of visitors coming in the gate. As this show always raises money for village projects, it was good to see such a lot of people there. On the same day, the Car and Bike Show at Potters Bar also did well according to Douglas M.

The Buntingford Classic show was very busy, with the High Street completely full of cars. In the afternoon in particular, it was really packed with visitors. The main drawback this year was the volume of both bands, not only that, the music really didn't seem to be in keeping with the style of show.

The next day was the always successful show at Capel Manor. The various areas were all packed with cars from every era, which makes a show like this so interesting to wander around. This usually takes longer than you expect, as you tend to meet people that you have met at other shows. A very enjoyable day, although a bit more sunshine would have been nice.

It appears that the Rock'n Roll show at the Whitewebbs Museum over the August Bank Holiday was extremely successful.

Last month I gave details about the next Open Day at Baird Rd on September 17th. Anyone wishing to book a parking space and/or lunch needs to contact mary.ramsay@barnetsouthgate.ac.uk by Friday 8th September.

A reminder that Area 33 are holding a Breakfast at North Weald on 1st October in aid of the Essex Air Ambulance which is based there, and will receive the £4 per car entry money. Cars are welcome from 8.30 onwards.

I have started collecting names for our own Breakfast Run to the Bocket Arms on October 8th. I need names by the October 2nd club night at the very latest.

We have set Saturday 2nd December as the date for our Christmas Dinner. I am getting details from The Feathers at Wadesmill, The Two Brewers at Ongar, and The Five Horsehoes at Little Berkhamsted. The last of these have got their menu on their website, if you want to have a look at that one.
