Nothing to report from the last few weeks, so a few future things to mention.

The show in which Alan is appearing this year is Fiddler on the Roof. Keith W has agreed to book tickets on people's behalf for the performance on Saturday March 15th. The cost is £12 per person and doors open at 7.45. In the past we have had a meal at the local Prezzo beforehand. If anyone wants Keith to book for them, please contact him straight away on.

There has not been enough support for the trip to Newark Air Museum so it has been cancelled. On a date, probably in October, Keith O is hoping to book a two way trip on the Waverly to Southend and back. We have done it twice just to Southend and return coach journey and it is a very good trip, so should be even better doing both ways. Watch this space for details nearer the time.

Hopefully by the next Newsletter we will have sorted out a date and venue for the April Breakfast Run.

Those of you who have previously attended the Luton Show should have received a booking form for this year's event on June 8th.

The Kimbolton show is on July 13th and I will have passes later on.

Area16 asked for plenty of leaflets about the Museum and one of their members has already said he would be there in an Etype, weather permitting on March 30th.
