### **January 2022**

I have just been looking at a couple of January Newsletters to see what I normally find to write about at this time of the year, however I didn't get any inspiration as there was nothing really relevant. Only eight of us were at the Museum for the first meeting of 2022 which was a bit disappointing but we all enjoyed a good chat.

The second half of last year did see some of our usual events take place so let us hope that the boosters outweigh the infections and that we can look forward to a busier year.

We have not set a date for our AGM yet but I hope to be able to put it in next month's Newsletter.

Let's hope everyone keeps well and more of us will get together next time.
