

## December 2020

### AREA REP'S CHRISTMAS MESSAGE

I put a new set of batteries in my life support machine recently and she got up and put breakfast on the table.

Good, I thought until I realised that it was another day of lockdown. We have had good news though, that a vaccine should be started soon and hopefully the end of Covid-19 is in sight.

I hope you are all coping with the restrictions and look forward to getting together next year with the club.

Have a great Christmas.

Best wishes to everyone.

*Doug*

My rudimentary typing skills have not been needed very much lately as, for the first time in over thirty years, Roy and I haven't produced a Newsletter every month.

Hopefully you will have seen the email that Roy forwarded, regarding the possibility of taking our cars to Hatfield Park next year to form a display outside Hatfield House. Sounds a good idea and I have replied to the organiser expressing our probable interest. He is away at the moment but I should hear from him in the New Year.

It doesn't seem nearly ten years since some of us drove our E-Types round the Silverstone Circuit to celebrate fifty years since it was launched. As you are no doubt aware from the Jaguar Driver, the JDC and JEC are combining to mark the sixtieth anniversary of the E-Type with a special day at Blenheim Palace and a weekend at Heythrop Park Hotel. Optimistically, Doug and I have booked for the weekend. Refunds are guaranteed should the event not be able to take place.

I hope that next year there will be more to write about.

### Membership Renewals

Normally, at this time of year, I would be sending out membership renewal forms however, under the current circumstances, we have decided to postpone this until we have a clearer idea of what the situation will be in 2021. In the meantime, if you have any changes to your contact details, etc. please let me know.

Roy Fludgate (Membership Secretary)
