No Meeting On May 5th.

It was determined that hardly anybody was likely to attend the meeting scheduled for the 5th May as it falls on a Bank Holiday, it was therefore agreed to cancel it. The next club meeting will now take place on June 2nd.

As a consequence, there will now be no further meetings, at which Enfield Pageant passes could be distributed, before the Pageant takes place on May 24th/25th. Would those of you who have requested a pass from either Eric or myself, please send a self addressed & stamped envelope to Eric Tetsell, so that he can send them out by post. Don't forget that we will not be doing any teas, coffees, bacon rolls etc. this year as it was causing too much work. Obviously there will be plenty of refreshments available on site or you can bring your own food and drink. As usual, please make sure that you are on site by 9am to enable the cars to be arranged and displayed in the best way. George has booked 1.30/2.00 p.m for us to take the cars into the arena.

Coming up shortly are the shows at Villa Scalabrini at Radlett and the Luton Festival of Transport, both on June 1st. Details of both these events, which don't need to be pre booked, can be found online. (See links on Area 57 club website calendar page).

The lady at Broxbourne Council rang me back about the parking arrangements for the show at Hoddesdon on July 6th. She said they had not worked out the method until they know how many cars had booked, however there had been adverse comments about last year's age related plan. I have sent in the booking form asking for Jaguars to be by the War Memorial as in the past.

I have booked a space at the Kimbolton Fayre on 13th July. If anyone else is interested, check their website at www.kimboltoncountryfayre.com where there are plenty of details about the various attractions on offer apart from hundreds of Classic cars and also the booking details.

Last Sunday, a brilliant but chilly day saw us gather at the Chequers at Barley for our Breakfast Run. There seemed to be mixed opinions about the food. It is a pity that we have never found anywhere as good as the Bocket Arms and The Woodman at Nuthampstead as it used to be.

Our most recent member Andy Buckingham and his wife Kerry came along to the April club meeting in their Series 3 E-type. As they have booked to come to the Pageant on the Sunday, it will be nice to appreciate it in the daylight and, hopefully, sunshine.

Before the next meeting, the Whitewebbs Museum weekend at Cricklade and the XK Spring Weekend will have come and gone. Hopefully we will all get some good weather, good food, and good company.
