April 2024

As the first Monday in both April & May fall on Bank Holidays this year, it was decided not to have a formal AGM, something that would normally be held at the April meeting. Only six people were in attendance at the meeting on Easter Monday. We hope that everybody is happy with the way the club is running but, if anyone wishes to make any suggestions, have a word with Doug.

Barbara assures us that the club finances are currently in a healthy state.

Roy reports that we currently have 25 memberships, which account for 36 people and 43 cars.

I hope we will all enjoy our Breakfast at the Chequers, Barley on the 14th April. This will be another new venue for us as I never did get any response from The Woodman, where we went last year.

The weather has been very unsettled lately but, hopefully, the Museum weekend to Aylesbury and the XK Weekend to Stratford on Avon will be lucky.

I trust that everybody who wishes to display their car at the Enfield Pageant has contacted Eric by now.

For any that might be interested in an evening run out into the Hertfordshire countryside, The Lordship Arms at Benington, SG2 7BX will be restarting their Classic Car nights on the 3rd Tuesday of the month from 6pm. The first meeting will be on 16th April and will then be held every month until 17th September.
