July 2014

Two things are on this coming weekend; Hoddesdon on Saturday and Kimbolton on Sunday. The time for both is around 9 a.m. It is best to get to Kimbolton around that time as it can get very busy at the gate.

The following Sunday some of us are taking part in Costume and Cars in Enfield market square.

The show at Harpenden is on 30th July and is fully booked as usual, so don't try turning up without a pass.

On 2nd August, Ragley Hall is the venue for XK/XJ/Xtype day. Alan, Barb, Eric, Margot and ourselves are all attending for the weekend.

Don't forget that Dick has passes for the Little Haven shows on August 10th and September 28th.

Several people have visited the show at Tewin and speak well of it. Entry forms are available from Anne Hall classicroads@hotmail.co.uk or just search for Tewin car show in Google for a download form. The date is August 17th.

If anyone needs transport from the Museum and back when we do the Waverley steamer trip on 28th September, the cost is £10 per person to Keith O.

There have been a few events that our members have attended over the past few weeks. Until the past couple of years, the show at Luton had always enjoyed really good weather and this time it was back to usual, with a sunny day which brought out all sorts of cars of various ages.

Not a show as such, but Dick, Eric and Brian went to an open day at JD Classics which they really enjoyed. They hold about four of these open days a year, so Dick will try to find out next year's dates.

A few of us, together with some of Eric's Triumph friends, went to the Rose Garden day in aid of the Red Cross. A good number of people attended despite a dreary day with the threat of showers. The roses have improved a little, but the gardeners amongst us would like to have done some dead heading. From the number of cars in the car park, I would imagine that a decent amount of money was raised for a good cause.

Douglas visited the show at the Walled Garden, Luton Hoo, and said that it was very well supported with lots of interesting cars present.

Keith O has asked for any suggestions that could improve the arena events for next year's Enfield Pageant, so rack your brains and try and come up with some ideas.
