The Pageant was another very successful event with us being awarded joint first prize with the Custom Cruisers. The weather was good eventually, on Saturday and Sunday, although Monday was pretty dull and windy. As the next few days were awful we should consider ourselves lucky. It takes a lot of work to organise and set up our stand, so all the co-operation from members is greatly appreciated. Our thanks go to Eric for sorting out the passes and the car display.

A new attraction this year was a second marquee for big bands, which had been organised jointly by Keith O and Roger, whose band some of us are familiar with from Kimbolton. His Galaxy Big Band played on Sunday, and Opus 17 were there on Monday, making a very enjoyable addition to the event. I handed out a few JDC and Area 57 application forms but it remains to be seen if they will lead to new members.

It was interesting to note that the article in the Enfield Advertiser about the Pageant featured Area 57 cars in two of the four photographs, although the reporter made rather an incorrect assumption by stating that Eric's XK had taken part in the Le Mans 24 hour race!!

Douglas attended Area 16's day at Sarrat on 5th June which was very well supported, with about 45 cars.

The Luton Festival of Transport is on Sunday 12th June, and entry is available on the day, if you have not pre-booked.

If you intend to go to the Rose Garden at North Mymms on Sunday 3rd July, Eric will need names and car details. He will not be able to attend on the day, so if anyone needs directions, please ring Doug. It is a very relaxing day in nice surroundings in aid of the Red Cross. Tea and excellent cakes are available. We meet outside the gate at 1pm.

This is the last reminder for the Fish and Chip Boat Trip on 24th July. There are six places still available. Once I have a final number, I can get the actual cost. The club paid a £50 deposit, so it will be less than the advertised price of £18.50. Unless I hear otherwise from the people who have already booked, I will assume that everyone wants fish and chips, and not the alternatives of chicken, sausage or spring roll, as this has to be confirmed when I pay the balance.

As Keith W was the winner of last year's veggie competition, the tomato judging/BBQ will take place at his house on August 14th. Everyone welcome, whether growing tomatoes or not, but as usual take your own meat and alcohol and Keith, Laura and Will will sort out anything else. I'm sure that any desserts would be welcome. Nearer the time, Keith will need numbers.
