LUTON FESTIVAL OF TRANSPORT

On some occasions we have spent the day at this show in glorious sunshine, however this year was anything but. It was very wet and, as the grass was much longer than it has been in the past, we really could have done with wellies. Together with Alan, Barb, Keith and Malcolm we braved it for long enough to get a bacon roll and a quick wander round before heading home. The weather did improve later and Alan, Barb and Keith stopped at the Bocket Arms for lunch, where there just happened to be a beer festival going on. They walked up to the church, where there was an art show and cakes, before heading back to the Beer Festival again, so their day definitely improved!

RED CROSS SHOW - North Mymms Park & Rose Garden

The setting for this event in aid of the Red Cross is lovely with wide ranging views across the country side and parkland. The Area had three cars in attendance, plus some of Eric's friends. There is a large courtyard to enjoy tea, coffee, and plenty of cakes, which was very pleasant. A guitar and mandolin band provided background music. The gardens themselves are so disappointing which is a shame as there is a lot of potential.

Tony and Lesley have been quite busy with visits to Goodwood Festival of Speed, Matching Green and JEC's XJ Day at Duxford.

Richard Freestone went to what sounds a very good event at Bicester called Flywheel which as the name suggests features both planes and vehicles.

The coming weekend, 9th & 10th July, will see the Hoddesdon Town centre Show on Saturday and Kimbolton Show on Sunday.

Sixteen of us will be having a fish and chip boat trip on 24th July so hopefully the weather will be kind to us. Everyone should now have the details of the location & times; arrive by 10.30 so there is plenty of time for the boat at 11am.
