### **November 2017**

Barbara has now closed the bookings for our Christmas Dinner on Friday 8th December. For those who are going it is 7.00 for 7.30.

Our Autumn Breakfast Run to the Bocket Arms was very successful. The sun was shining and Kate and her team provided a very good breakfast to start the day. I'm sure that we will be back there in the spring.

On the same day, a few people went to Spares Day at Stoneleigh and although they felt that the number of people there was down, the traders were happy.

Recently Jem went to a car show at Malden which he had found on the Internet the day before. Apparently it was very good, with lots of cars that don't always get seen at shows, and there was flying as well.

Don't forget that our next meeting is Mince Pie night as we are no longer having an extra meeting on the third Monday of December.

Several weeks ago a neighbour of ours was having some decorating done and, as Doug had the XK out of the garage, the painter, who was friend of theirs, came across to look at it. He knew quite a bit about Jaguar cars and was really pleased to have a good look at one. Later that morning, having enjoyed his enthusiasm, Doug went and asked him if he would like a ride in it. All the time they were out he was taking video on his mobile and hardly stopped talking about the car. This weekend Doug was very gratified to find a card through the door thanking him for the ride, which he said was a thrill of a lifetime.

As you can see, I don't have a lot to write about this time of the year, so any contributions are welcome.
