October 2025

There were only seven of us present at the meeting on Monday 6th, but we all seemed to find plenty to talk about.

I was able to make a start on collecting menu choices and deposits for our Christmas dinner, which will take place on Monday 1st December. Please don't forget that I will need to collect the rest by no later than the next meeting on 3rd November, so that I can pass all the information and deposits to the Robin Hood in plenty of time. (See menu below).

The last event of the season for Doug and I was at the Buntingford Classic event on 6th September. Along with Brian and his XK150, our XK120 was parked in front of the old school, thanks to Ian who lives there. Several of us have become regulars in this area. One car that we had not seen before was a black 1969 Ferrari, which was immaculate. While chatting to the owner, he told us that he had grown up close to Wappenbury Hall and his family had been friendly with Sir William Lyons. We always enjoy Buntingford as so many people are interested in the cars and take time to chat to the owners. Luckily the weather was fine so it made a good finish to the show season.
