

DECEMBER 2025

AREA REP'S CHRISTMAS MESSAGE

We celebrated Area 57's forthcoming 40th Anniversary, which is in March 2026, with a Christmas Dinner. The meal was good and very enjoyable. I would like to thank everybody who attended on a wet windy evening, which didn't stop anybody from coming.

All my best wishes for Christmas and the New Year

Doug

Our normal meeting room looked very festive on Monday for our Christmas Dinner. Seventeen of us were there and, as before, we were all provided with individual bills, which makes things very much easier. This was all organised by the under manager, Mandy, who sorts it out from the list of peoples' menu choices that we had provided a couple of weeks ago. Hopefully everyone enjoyed their meal; there certainly seemed to be plenty of empty plates!

One early date for next year has come in from Area 33. For the past few years they have held their Area Day at RHS Hyde Hall but this time it will be at the William De Ferrers School, South Woodham Ferrers on 2nd August.

Don't forget that there will be no club meeting in January.

As stated in last month's newsletter, all memberships will be extended until 31/12/2026, free of charge. If any of your personal or vehicle details have changed, kindly advise Roy Fludgate.
