June 2026

Unfortunately Doug and I did not get to the Enfield Pageant this year, so our thanks go to everybody who helped put up our banner, fences etc. and took them all down again on what was a very hot weekend. With only seven cars on Saturday and nine on Sunday it was easily the smallest display that we have ever had. However, our stand was highly commended, with a trophy, certificate and a cash prize. Those club members who were there felt that attendance seemed lower this year, possibly due to the very high temperatures (there is not a lot of shade to be found on that ground). Hopefully, it will still have been a successful weekend for the EDVVS.

I don't know whether anybody went to the recent show at Villa Scalabrini, but I'm sure that several of us will be at Datchworth Green on 13th June. This Village Fete/Car Show has become a favourite over the last few years with its pleasant atmosphere, an ever increasing number of varied cars and, of course, the cake tent.

The Luton Festival of Transport on the 14th has always attracted a large number of cars in the past but probably doesn't get as many stalls as it used to.

I expect all the regulars that go to the Tewin Show will have been contacted by now, and are booked in.

Barb was given leaflets at the Pageant for a couple of shows in July. The Classic Cars in the Park at Stonards Hill Recreation Ground, Epping, CM16 4QF is on Sunday 19th July from 12pm. To register your car, (£5), contact Vince on 01992-6777906 or 07958-526786.

The Offley Classic Car and Motorcycle Show is on Friday 24th July at Offley Recreation Ground near Hitchin, SG5 3DX from 3pm to 8pm. Entry is £10 per car and contact is Roger Watkins on 07887-503704.
