

July 2026

Our July meeting was a first since we moved to the Robin Hood, as eleven of us spent the warm evening in the large garden.

This weekend, is National Day at Brooklands, which Alan, Barb, Tony and Lesley are going to. On the same day, 12th July, the usual show at Hoddesdon will take place, but I don't know who will be there. We have only just received our pass number, however there is no plan to say which area of the town it refers to.

The following Sunday, 19th July, some of us will be going to the Kimbolton Country Fayre & Classic Car Show and, fortunately, we have been allocated the nice shady spot under the trees that we have had for a couple of years now.

The Classic Cars in the Park at Epping takes place on the same day. Contact details were in the last Newsletter and there is a link on the club website calendar page.

Area 33 will be holding their annual show at William de Ferrers School, CM3 5JU, on 2nd August, but please note that this is a pre-booked event only.

Just a reminder about the Tewin show on 16th August, (although our next meeting will take place before then). Hopefully you have all booked, but if not you can contact tewincarshow@hotmail.co.uk or follow the link on the club calendar page.

Keith O and various Museum members recently attended a show at Priory Park, Hornsey which I understand went well.

Alan and Barb have been to several local shows, and at one met up with one of our previous members, Richard Wain, who, along with his wife Maxine, a few of you may remember from the mid 90s.

Several of us enjoyed a very relaxing afternoon at the Datchworth Village Fete on 13th June. The cake tent did extremely good business as usual and all the traditional fete attractions were busy. Plenty of dogs of all shapes and sizes were around but I don't know how many were entered in the two dog shows. Every year the number of cars at this event seems to increase, and entries ranged from vintage Rolls Royces and Richard's Bentley to a McLaren supercar. It was a good afternoon, as usual.
